

# BOARSHAW PRIMARY FAIRTRADE GROUP

Tuesday 3<sup>rd</sup> May 2016

Absent: Tyler, Alisha, Zara and Emaleigh

## 1. Fairtrade Day.

At the meeting, the group discussed the hugely successful Fairtrade day/Wake up to the Big Fairtrade Breakfast parent event. Mrs Beehan congratulated the group on their hard work. We read some of the wonderful comments received from parents & grandparents about the event. The Fairtrade group said that they were extremely proud of what they have achieved so far.

## 2. Fairactive Award.

We discussed about recently gaining the above award. We talked about how being part of The Fairtrade team had changed how we eat and how we encourage others to do the same. Kelci shared with the group that her mum only ever buys Fairtrade bananas now. Others in the group shared similar decisions also discussing about how it made them feel to be doing something which they saw as worthwhile. We also talked about adding the certificate to our 'Fairtrade board' on the main corridor.

## 3. Fair Achiever Award.

Finally, we looked at the criteria required for achieving the next award and discussed how we could work towards gaining it. We will start to organise this at our next meeting.

### Before the next meeting:

- Mrs Beehan will prepare some examples of work completed by classes on Fairtrade Day to include on our display board.
- Mrs Beehan will have a Fair Achiever Award criteria checklist ready for the group to discuss at our next meeting.
