

Eco –schools Meeting

**Eco-Schools
Silver Award**

Date: Tuesday 6th March 2018

Attendees: Anna, Kyle, Daisy-Louise, Daniel, Kaiden, Daisy, Lewis and Ben.

- The Eco-team have created the Eco-code poster. This allows the school to create a code that can be displayed around the school. As a team they will encourage the school to follow the eco –code.
- The team would like to run a hanging basket competition and the winner will receive a prize in the summer 2 term.
- All members of the Eco-team are checking daily that paper is recycled in the paper bins.
- The school litter pickers will use the data collected this term to create a graph for our Eco-board.
- The team would like all classes to visit the local allotment in the summer term for gardening and Eco.
- The children would like to develop the garden areas next term so we will start a gardening club again at lunch times once a week.
- We will start to gather evidence for the Green Flag Award.
